WE KNOW YOUR NEEDS

A NEW PERSPECTIVE FOR

# QUALITY & CUSTOMER SATISFACTION!

[snehmetals.com](http://snehmetals.com)

## MISSION

Focus on providing superior quality products while also delighting Employee Development and Customer Satisfaction.

## VISION

Dominate the World Market and become the industry standard in non ferrous metal alloys around the globe.

## QUALITY

Sneh Metals Alloys a well-known manufacturer and supplier of brass rods and other products, is an ISO 9001:2015 certified business that was established in 2016. Our products are in compliance with standards and are tested using cutting-edge equipment. (such as a spectrometer, an eddy current tester, a metallurgical microscope, impact testers, conductivity metres, a mercury nitrate test, a profile projector, an LPT test, and a computerised UTM.)

## STRONG TEAM

Each member of our team is committed to exemplifying continuous improvement and constant learning and serves you everytime better than before. We constantly endeavour to upgrade and update our products in order to provide the best experience to our customers and help them yield the maximum from their purchase.

## OUR VALUES
